PetSmart Voluntarily Recalls Ggreat Choice® Dog Biscuits

Contact:

PetSmart Customer Service
1-888-839-9638

FOR IMMEDIATE RELEASE -- PHOENIX, AZ, January 20, 2009 -- PetSmart is voluntarily recalling seven of its Ggreat Choice® Dog Biscuit products that contain peanut paste made by Peanut Corporation of America (PCA). PCA is the focus of the U.S. Food and Drug Administration investigation into potential salmonella contamination of peanut butter and paste made at its Blakely, Georgia facility.

Although PetSmart is not aware of any reported cases of illness related to these products, it has removed these products from its store shelves and website and is conducting the recall as a precautionary measure.

The recalled products include only the following types of Ggreat Choice Dog Biscuits sold between Aug. 21, 2008 and Jan. 19, 2009:

- Small Assorted 32 oz., UPC 73725702900
- Small/Medium Assorted 4 lb., UPC 73725700601

- Small/Medium Assorted 8 lb., UPC 73725700605
- Small/Medium Assorted 10 lb., UPC 73725702755
- Large Assorted 8 lb., UPC 73725700638
- Extra Large Assorted 8 lb., UPC 73725700779
- Peanut Butter 4 lb., UPC 73725700766

Customers who purchased the recalled dog biscuit products should discontinue use immediately and can return the product to any PetSmart store for a complete refund or exchange. Customers can visit www.petsmartfacts.com for more information or contact PetSmart Customer Service at 1-888-839-9638.

No other products or flavors are included in this recall.

Premier Nutrition Announces Voluntary Nationwide Recall of selected TWISTED and TITAN Branded Bars Containing Peanut Butter Due to Possible Health Risk

Contact:

Premier Nutrition, Inc.
1-888-836-8977

FOR IMMEDIATE RELEASE -- CARLSBAD, Calif., Jan 20, 2009 – Premier Nutrition today announced a voluntary recall of select TWISTED and TITAN branded bars that contain peanut butter manufactured by Peanut Corporation of America (PCA). PCA is the focus of an investigation by the U.S. Food and Drug Administration (FDA) concerning a recent *Salmonella* Typhimurium outbreak thought to be caused by tainted peanut butter.

Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis. For more information on Salmonella, please visit the Centers for Disease Control and Prevention's Web site at <http://www.cdc.gov/> or call 800-CDC-INFO (800-232-4636).

The following Premier Nutrition products with "Best By" dates ranging as shown below, in the specific sizes and flavors indicated, are included in the recall:

- **TWISTED Nutrition Bar, Vanilla**
BEST BY: AUG 01 2009A (August 1, 2009), through JAN 09 2010A (January 9, 2010)
- **TWISTED Nutrition Bar, Chocolate**
BEST BY: AUG 01 2009A (August 1, 2009), through JAN 09 2010A (January 9, 2010)
- **TWISTED Nutrition Bar, Peanut Butter**
BEST BY: AUG 01 2009A (August 1, 2009), through JAN 09 2010A (January 9, 2010)
- **TWISTED Nutrition Bar, Variety Packs 15 and 24 count**
DATED: 07/01/09 (July 1, 2009) through 01/09/10 (January 9, 2010)
- **TITAN Nutrition Bar, Chocolate Peanut Crunch (80g size)**
BEST BY: SEP 04 2009A (September 4, 2009) through DEC 17 2009A (December 17, 2009)
- **TITAN Nutrition Bar, Chocolate Peanut Crunch (25g size)**
BEST BY: SEP 04 2009A (September 4, 2009) through DEC 17 2009A (December 17, 2009)

These products were sold in grocery, warehouse and other retail stores throughout the United States as well as over the internet.

No other PREMIER NUTRITION flavors, brands or products are included in this recall.

"We regret the need to take this action, but the complete safety of our customers and consumers is our highest priority," said Chris Geist, Chief Operating Officer, Premier Nutrition.

Consumers who have purchased the recalled products are urged to destroy them; if refund or replacement is desired, consumers should remove the "Best By" code found on the back of the package without opening the package. Consumers with questions or who would like a refund or replacement may contact Premier Nutrition at 888-836-8977. Details also can be found at www.premiernutrition.com.

Abbott Nutrition Announces Voluntary Recall of ZonePerfect® Chocolate Peanut Butter Bars, ZonePerfect® Peanut Toffee Bars and NutriPals™ Peanut Butter Chocolate Bars in U.S., Mexico, New Zealand and Singapore

Contact:

Abbott Nutrition Consumer Relations
(800) 986-8884

FOR IMMEDIATE RELEASE -- COLUMBUS, Ohio, Jan. 19, 2009 -- Abbott Nutrition today announced that it is initiating a precautionary, voluntary recall of ZonePerfect® Chocolate Peanut Butter bars, ZonePerfect® Peanut Toffee bars and NutriPals™ Peanut Butter Chocolate bars in response to the widening recall involving peanut butter and peanut paste ingredients manufactured by Peanut Corporation of America (PCA). PCA was one of the peanut ingredient suppliers to the company.

The specified Abbott Nutrition items, sold in the U.S. and internationally (Mexico, New Zealand and Singapore) in various packages and quantities, have not been linked to a nationwide salmonella outbreak and there have been no reported cases of the salmonella illness associated with ZonePerfect or NutriPals products. Abbott Nutrition tests every lot of finished ZonePerfect and NutriPals bars for salmonella and no salmonella contamination has been detected. This voluntary recall does not apply to Abbott Nutrition products sold in Canada.

Abbott Nutrition's action to issue a voluntary recall was supported by the U.S. Food & Drug Administration's advisement to manufacturers of an ongoing outbreak of salmonella involving peanut butter and peanut paste supplied by PCA. No other Abbott Nutrition products have been impacted by the PCA recall.

As part of its priority to ensure the safety and quality of all of its products, Abbott is issuing the voluntary recall. Abbott is working with retail partners to remove the specified products from retail store shelves and encouraging customers and consumers to verify if they have the specified products.

Consumers who have purchased the recalled products are urged to destroy the product. U.S. consumers with questions or who would like a refund may contact Abbott Nutrition Consumer Relations at (800) 986-8884, Monday through Friday, between the hours of 8:30 a.m. and 5:00 p.m. Eastern Time. Consumers with questions or concerns about their health should contact their doctor.

Products impacted by the voluntary withdrawal are as follows:

- ZonePerfect Chocolate Peanut Butter bars, all sizes and quantities
- ZonePerfect Peanut Toffee bars, all sizes and quantities
- NutriPals Peanut Butter Chocolate nutrition bars, all sizes and quantities

Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis. Nature's Path Recalls Peanut Butter Optimum Energy Bars Nationwide Because of Possible Health Risk

Contact:

Maria Emmer-Aanes, Nature's Path
604.248.8856
Jessica Vitale, Zeno Group
310.566.2285

FOR IMMEDIATE RELEASE -- January 20, 2009 -- Nature's Path Organic Foods of Richmond, British Columbia, Canada is recalling Optimum Energy Bars Peanut Butter flavor, because it has the potential to be contaminated with *Salmonella*. The Optimum Energy Bars Peanut Butter flavor were manufactured using peanut butter recalled by Peanut Corporation of American because it has the potential to be contaminated with *Salmonella*. *Salmonella* is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems.

The affected products are marked with the BEST BEFORE DATE OF 01OCT09A and sold in 2 oz (56 g) individually wrap bar with UPC code of 0 58449 77715 1.

Consumers who have an Optimum Energy Bar Peanut Butter flavor with this expiration date should return it to the retail store where they purchased it for a full refund. If they have any questions they should call the Nature's Path customer service line at 1-866-880-7284.

No illnesses have been reported in connection with Optimum Energy Bars. No other Nature's Path products are being recalled. The peanut butter in all other Nature's Path products is sourced from Golden Boy Foods in British Columbia, Canada, which is in no way involved in the investigation.

We at Nature's Path are committed to producing exceptional products and hold the health of our customers, along with quality and food safety, as our top priorities, said Arran Stephens, Founder and CEO of Nature's Path. We are issuing this voluntary recall as a precautionary measure out of concern for the health and safety of our customers."

Clif Bar & Company Announces Voluntary Nationwide Recall of CLIF® and LUNA® Branded Bars Containing Peanut Butter Due to Possible Health Risk

Contact:

Clif Bar & Company
1-800-254-3227

FOR IMMEDIATE RELEASE -- BERKELEY, Calif., Jan 19, 2009 -- Clif Bar & Company today announced a voluntary recall of CLIF(R) and LUNA(R) branded bars that contain peanut butter because the products have the potential to be contaminated with Salmonella. The recalled products contain peanut butter manufactured by Peanut Corporation of America (PCA). PCA is the focus of an investigation by the U.S. Food and Drug Administration (FDA) concerning a recent Salmonella outbreak thought to be caused by tainted peanut butter.

The following Clif Bar & Company products with "Best By/Sell By" dates ranging as shown below, in all sizes and packages, are included in the recall:

Consumers who have purchased the recalled products are urged to destroy them but retain the "Best By/Sell By" code found on the back of the package. Consumers with questions or who would like a refund may contact Clif Bar & Company at 1-800-CLIFBAR (1-800-254-3227). Details also can be found at www.clifbar.com.

"With an abundance of caution and given the FDA's ongoing investigation of PCA, we're doing all we can to ensure consumer safety and trust," said Gary Erickson, owner and founder of Clif Bar & Company.

**NutriSystem Announces Nationwide Voluntary Recall of Peanut Butter Granola Bar Due to Possible Peanut Corporation of America (PCA) Contamination and Potential Health Risk
No Cases of Illness Reported**

Contact:

NutriSystem Inc.
1-866-491-6425

FOR IMMEDIATE RELEASE -- HORSHAM, Pa -- January 21, 2009 – NutriSystem Inc., a leading provider of weight management products and services, today announced a voluntary recall of its NutriSystem-branded Peanut Butter Granola Bar 1.41 ounces or 40 grams packaged in flexible film, lot codes: TC08158A, TC08188A, TC09158A, TC09168A, TC09178A, TC11148A, TC11178A, because the product contains peanut butter which was manufactured by Peanut Corporation of America (PCA), which is the focus of an ongoing Salmonella investigation by the United States Food & Drug Administration (FDA). PCA is one of the suppliers of peanut ingredients to the company. NutriSystem is no longer using PCA as a peanut butter supplier.

Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis. For more information on Salmonella, please visit the Centers for Disease Control and Prevention's Web site at www.cdc.gov (or call 1-800-232-4636).

There have been no cases of illness or adverse effects reported by any NutriSystem customers, and no other products within the NutriSystem food portfolio, including those made with peanut butter, are affected by this recall. No Salmonella contamination has been detected in the NutriSystem Peanut Butter Granola Bar. This voluntary recall is in line with FDA recommendations, and NutriSystem has removed all products within existing inventory.

"The safety of our customers is our highest priority, and in keeping with the recommendations by the FDA, we are urging all consumers who have purchased or are in possession of this product to immediately destroy them," said Sharon Tate, Vice President of Quality Assurance, NutriSystem, Inc. "Customers seeking a replacement bar are being asked to call a NutriSystem representative at 1-866-491-6425 or e-mail PBbar@Nutrisystem.com and a replacement bar will be issued in its place."

The peanut butter granola bar has been distributed directly to customers from the website or call center sales, residing in the United States by NutriSystem. The Peanut Butter Granola Bar (UPC 6 32674320162) is not available in retail stores, and not sold under any other name. This voluntary recall does not apply to NutriSystem Peanut Butter Granola Bar product sold in Canada. Additional details can be found at www.nutrisystem.com

Country Maid Announces Voluntary Nationwide Recall of Classic Breaks® Peanut Butter Cookie Dough Due to Possible Health Risk

Contact:

Country Maid, Inc.
(888) 460-6904

FOR IMMEDIATE RELEASE -- WEST BEND, Iowa, January 20, 2009 – Country Maid Inc, is voluntarily recalling its 2 pound packages of Classic Breaks Peanut Butter Cookie Dough because the peanut butter used to make the cookie dough was supplied by Peanut Corporation of America and may be contaminated with Salmonella.

Salmonella is an organism that can cause serious and sometimes fatal infections, particularly in young children, the elderly, and persons with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea, nausea, vomiting and/or abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses, such as arterial infections (i.e. infected aneurysms), endocarditis, and arthritis.

The recalled Classic Breaks Peanut Butter Cookie Dough was distributed nationwide through fundraising groups. Distribution to fundraising dealers occurred October 6, 2008 through January 9, 2009.

The product comes in a 2 pound rectangular-shaped package with a white wrapper. Classic Breaks Peanut Butter Cookie Dough products with the following lot numbers marked on the side are included in the recall:

- 26208
- 26308
- 29808
- 33808
- 36508

No illnesses have been reported to date in connection with the cookie dough.

No other Country Maid or Classic Breaks products or flavors are included in this recall.

Consumers who have purchased the recalled products should either destroy the product or contact Country Maid for a refund at 1-888-460-6904. Details also can be found at www.classic-breaks.com.
